WE BELIEVE IN OUR PLANET

At Flavourgranito, we're committed to being environmentally friendly. That's why we've increased our exports of tiles with lower resin content. These tiles are made of alumina, which is the main ingredient in our products. Our tiles' raw ingredients are all mineral-based, which gives them several advantages.

For example, they're more durable and fire-resistant than other types of tiles. Plus, their natural colors and aesthetic appeal make them a popular choice for home and business owners alike.

WE BELIEVE IN QUALITY

We cherish the inquiries from our clients and go out of our way to make sure they receive the best value for their money. We meticulously assess every stage of product development and procurement, and we only deem goods suitable for distribution once they have passed a number of quality assurance tests.

**WE BELIEVE
IN SATISFIED
CUSTOMERS**

Customer happiness is our first priority, as we use feedback to enhance our goods and transportation services. To assist our clients in the countries where we export, our customer service hotline is open 24 hours a day, seven days a week.

We think that the closer we are to our customers, the better we can serve them.

WE BELIEVE IN PEOPLE

We believe in human capital and that no machine can replace human inventiveness; our team of 300+ employees shares this philosophy; we examine employee working hours and create a pleasant and safe working environment by establishing all medical facilities on our premises.
